

Rent Choice

You choose the home, we'll provide a rent subsidy.

What is Rent Choice?

Rent Choice is a new form of private rental assistance designed to support eligible key workers and low-income households in securing safe, secure and affordable housing in the NT's private market. Eligible people living in Darwin, Palmerston, Katherine, Tennant Creek and Alice Springs will be able to access a rent subsidy*.

Rent Choice is designed and administrated by Venture Housing and funded by the NTG. Rent Choice enables eligible key workers to source their own private rental accommodation and receive a rental subsidy of a max. \$12,000 for up to twelve months, depending upon their household size and the rental location.

What are the eligibility requirements?

To be eligible, you must be an Australian citizen, permanent resident or have a current Australian work visa. You must also be living in the NT or moving to the NT and have a household member who is working in a key service industry. You must also meet income limits, which will be assessed at point of application:

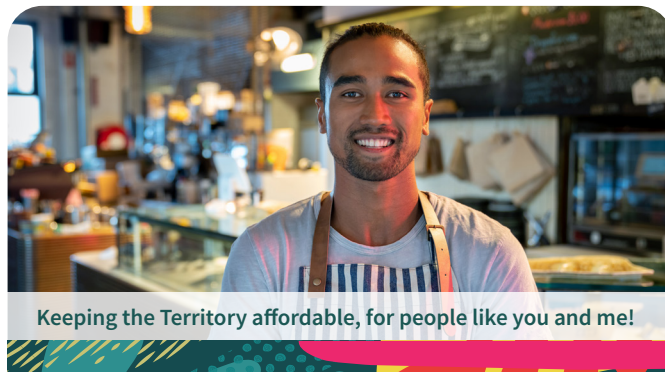

- Single: \$100,000
- Couple: \$123,464
- Families: \$172,849

How does the rent subsidy work?

Eligible households can receive a subsidy of up to \$12,000 paid directly to their Real Estate Agent or NRAS approved registered Community Housing Provider in monthly instalments, for up to twelve months.

The subsidy will be calculated based on the

- household composition (property type requirement)
- median rent of the property type in the region, and
- household income limit of the participant.

Rent Choice 2024 - What's new this year?

The scope for this year's release of Rent Choice subsidies has been expanded as follows:

- Rent Choice is now accessible to households in existing leases with a minimum six-month term remaining
- Income eligibility thresholds have increased for couples and families
- Previous Rent Choice participants can apply
- Provisions have been made for people to apply where they are located outside the regional centres listed*
- Subsidies will be granted for a maximum of twelve months capped at \$12,000 with no eligibility review requirement.

These amendments have been made to increase accessibility and impact for Territorians experiencing rental stress, and to enable households currently renting under the National Rental Affordability Scheme (NRAS) to access Rent Choice when the NRAS incentives cease, reducing the risk of financial hardship and homelessness that can result when this occurs.

How do I apply?

If you think you may be eligible, head to our website and complete our online application form.

www.venturehousing.org.au

* Applications received for locations other than those listed will be assessed under the listed location that is closest, and if approved, the voucher will be valid for the location provided by the applicant. Engagement with Real Estate Agents and CHPs has only occurred in the locations listed and therefore Rent Choice vouchers may not be accepted outside these areas.
